

GM20 and GM21 Penalty Codes---Abuse of Officials

- If a player or team official is ejected for continually disputing a call (especially after a bench minor for unsportsmanlike conduct has been assessed) BUT IS NOT USING PROFANE OR ABUSIVE LANGUAGE, then the GM20 penalty should be assessed.
- If a player or team official is ejected for continually disputing a call (especially after a bench minor for unsportsmanlike conduct has been assessed) AND IS USING PROFANE AND/OR ABUSIVE LANGUAGE, then the GM21 penalty MUST be assessed.

When assessing either of the above penalties, please be sure to assess the correct one. There is a big difference in the length of the suspensions.

Thanks
